**Executive Response to Operations Review Committee
Recommendations from Mapping of Partnerships Review**

Recommendation 1.	That all partnerships should be documented in a standardised manner so that an accurate, up-to-date log is maintained of Hertsmere Borough Council's Partnerships.
Response	Agreed
Completion date	Annually as per recommendation 2.
Lead Officer	Hilary Shade, Head of Partnerships, Community Engagement and Housing in consultation with relevant Heads of Service and Service Managers

Recommendation 2.	that a Partnerships Monitoring Report on current partnerships is presented annually to Operations Review Committee the report should include partnerships that have ended within the preceding 12 months, so that the Committee has an up-to-date overview of the Council's existing partnerships and an understanding as to why some partnerships may have dissolved. The Operations Review Committee may choose to flag this annual report for review by the Policy Review Committee.
Response	Agreed
Completion date	Annually – proposed March 2021 for 1 st Annual Report
Lead Officer	Hilary Shade, Head of Partnerships, Community Engagement and Housing in consultation with relevant Heads of Service and Service Managers

Recommendation 3.	that similar partnerships within the Borough can have significantly variable funding levels, therefore the Partnerships Monitoring Report should explain any such significant disparities in funding.
Response	Agreed
Completion date	Annually as per recommendation 2.
Lead Officer	Hilary Shade, Head of Partnerships, Community Engagement and Housing in consultation with relevant Heads of Service and Service Managers

Recommendation 4.	that efforts should be made to support and encourage community groups evenly across the Borough so that there is access to similar provision in all settlements.
Response	Partially Agreed – community groups are driven at a local level and in response to local needs and conditions which predicated a differentiation of provision rather than duplication or similar provision across the borough. The council does not directly commission services from these groups but offers support and in some cases specific grants to established and emerging groups. However, the budget for grants is finite and the Council cannot support all community groups across the borough.
Completion date	Ongoing
Lead Officer	Hilary Shade, Head of Partnerships, Community Engagement and Housing
